MCA COVERAGE FEATURES

UNLIMITED Security Roadside Assistance

As a member of our Security plan, you will receive unlimited roadside assistance, unlike our competitors which will only provide you 2-4 service calls per year. Unlimited roadside assistance means 1 service call per day throughout the entire year. If we're unable to get your 4 wheel passenger vehicle back on the road safely, it will be towed to the nearest service facility. You will also receive unlimited lockout service, unlimited fuel delivery, unlimited tire changing, and unlimited battery boosting.

As a member of our Security plan, you will not have to pay out of pocket with reimbursement hold times unless you prefer to have your vehicle towed to the destination of your choice. All you do is sign the required paperwork and your good to go. Our unlimited roadside service protects you, not your vehicle. What that means is no matter who's vehicle you're driving, you can always give us a call if you need assistance.

By upgrading to our Total Security plan, MCA will also pay up to \$100.00 to provide Emergency Road Service on RVs, Motorcycles, Trailers, and vehicle's with a load capacity of 1 ton or greater. With our Total Security plan, you may also have your 4 wheel passenger vehicle towed to anywhere you desire, not just the nearest service facility.
